**Re: Interim Medical Certification – WBO Bantamweight Champion Jason Moloney**

Dear Mr. Arum:

On May 13, 2023, Jason Moloney won the vacant WBO Bantamweight Championship via majority decision against Vincent Astrolabio. This bout was conducted at the Stockton Arena, in Stockton, California. The following day (May 14, 2023), official boxing press reports<sup>1</sup> informed that Jason Moloney suffered a broken hand during the bout. The foregoing was confirmed by the fighter himself per the referenced article.

In light of the above, this Committee grants Mr. Moloney five (5) days upon issuance of this notice to submit his physician's certification, which should include an explanation of his condition as well as the recovery prognosis in conjunction with the physician's opinion as to when can he return to active training and competition. Failure to comply with this order will result in the Committee proceeding per WBO rules and regulations without any further hearing and/or citation.

The WBO wishes Mr. Moloney the best good fortune on a prompt and speedy recovery. Please do not hesitate to contact the WBO main offices if you have any questions or concerns.

Yours Truly,

Luis Batista Salas, Esq.
