Dear All,

We want to extend our sincere gratitude for recognizing Chris Eubank Jr as your top contender.

As we look forward to upcoming discussions and immediate plans, we kindly request that you refrain from considering him for any mandatory bouts or eliminators for your esteemed titles in the forthcoming weeks. Currently, we are in the midst of negotiations for an alternative fight on his behalf, and we wish to be considerate of everyone's time, while also ensuring opportunities for other fighters are preserved.

We are enthusiastic about the prospect of exploring various options in the spring and summer of 2024.

Thank you for your understanding and your cooperation.

Kind regards,

Elliott Amoakoh
